

FREE RESOURCE

Subscription Audit Checklist

Free 2-page worksheet to find recurring charges worth reviewing.

Practical planning. Clear next steps. No hype.

MoneyFlowsToMe.com

Find Your Recurring Charges

List subscriptions, memberships, apps, streaming services, storage, software and recurring deliveries.

Service	Monthly cost	Use it?	Keep / Cancel

Quick checks

- ☐ Search the last 2-3 bank or card statements
- ☐ Check annual renewals, not only monthly charges
- ☐ Look for duplicate cloud storage or media plans
- ☐ Check free trials that may convert to paid

Decide What Stays

A subscription can be worth keeping. The question is whether the value still matches the cost.

Decision	Estimated monthly savings	Next step

Potential yearly savings
